## S-N Material Transport

## Inward Map Boundary (Material Dispersion Tree)

**Asteroid and Comet Mission Posters, Abstract Number 2879**

Lok  
Victor

Compare  
inset with map—  
true shape  
is poor!

denser cross-map  
distance ratio network  
is needed.

2016

*Note that in each map  
the ocean is uninterrupted,  
internally proportionate,  
and  
proportionate to land*
