PRINT ONLY: EDUCATION AND PUBLIC ENGAGEMENT

Gill J. Mardon A.

[*Meteorites in the Culture and Beliefs of Aboriginal Peoples in North America*](#) [#1118]

A look at the cultural significance of meteorites to various groups.

Senarath Dassanayake H. C.

[*Global Mars: The Martian Outreach Project in Sri Lanka*](#) [#1529]

The Global Mars program leads students beyond a text-based science curriculum, to affect learning outcomes by increasing the scope of their thinking.

Ságodi I. Bérczi Sz.

[*Planetary Science Education I. Comparison of Halo Rings Produced by Electromagnetic Waves Scattered Through the Cloud of Randomly Oriented Macro and Micro Crystals \(in the Ice Cloud and in the Dust\)*](#) [#1571]

Atmospheric halo-rings and the X-ray rings (XRD) by crystallographic interference from Debye-Scherrer method: Origin in different electromagnetic wave ranges.
